Dr. L. G. Todd, Ph.D.
Decatur, Mississippi

Dear Doctor Todd, Ph.D.:

I had really intended to get a wire off to you yesterday but recalled that Uncle Sam has asked that we pass up the use of the wires for such things. It is an event for a school man in Mississippi to get a Ph.D. and it calls for a real celebration. Congratulations. We are proud of you.

Cordially yours,

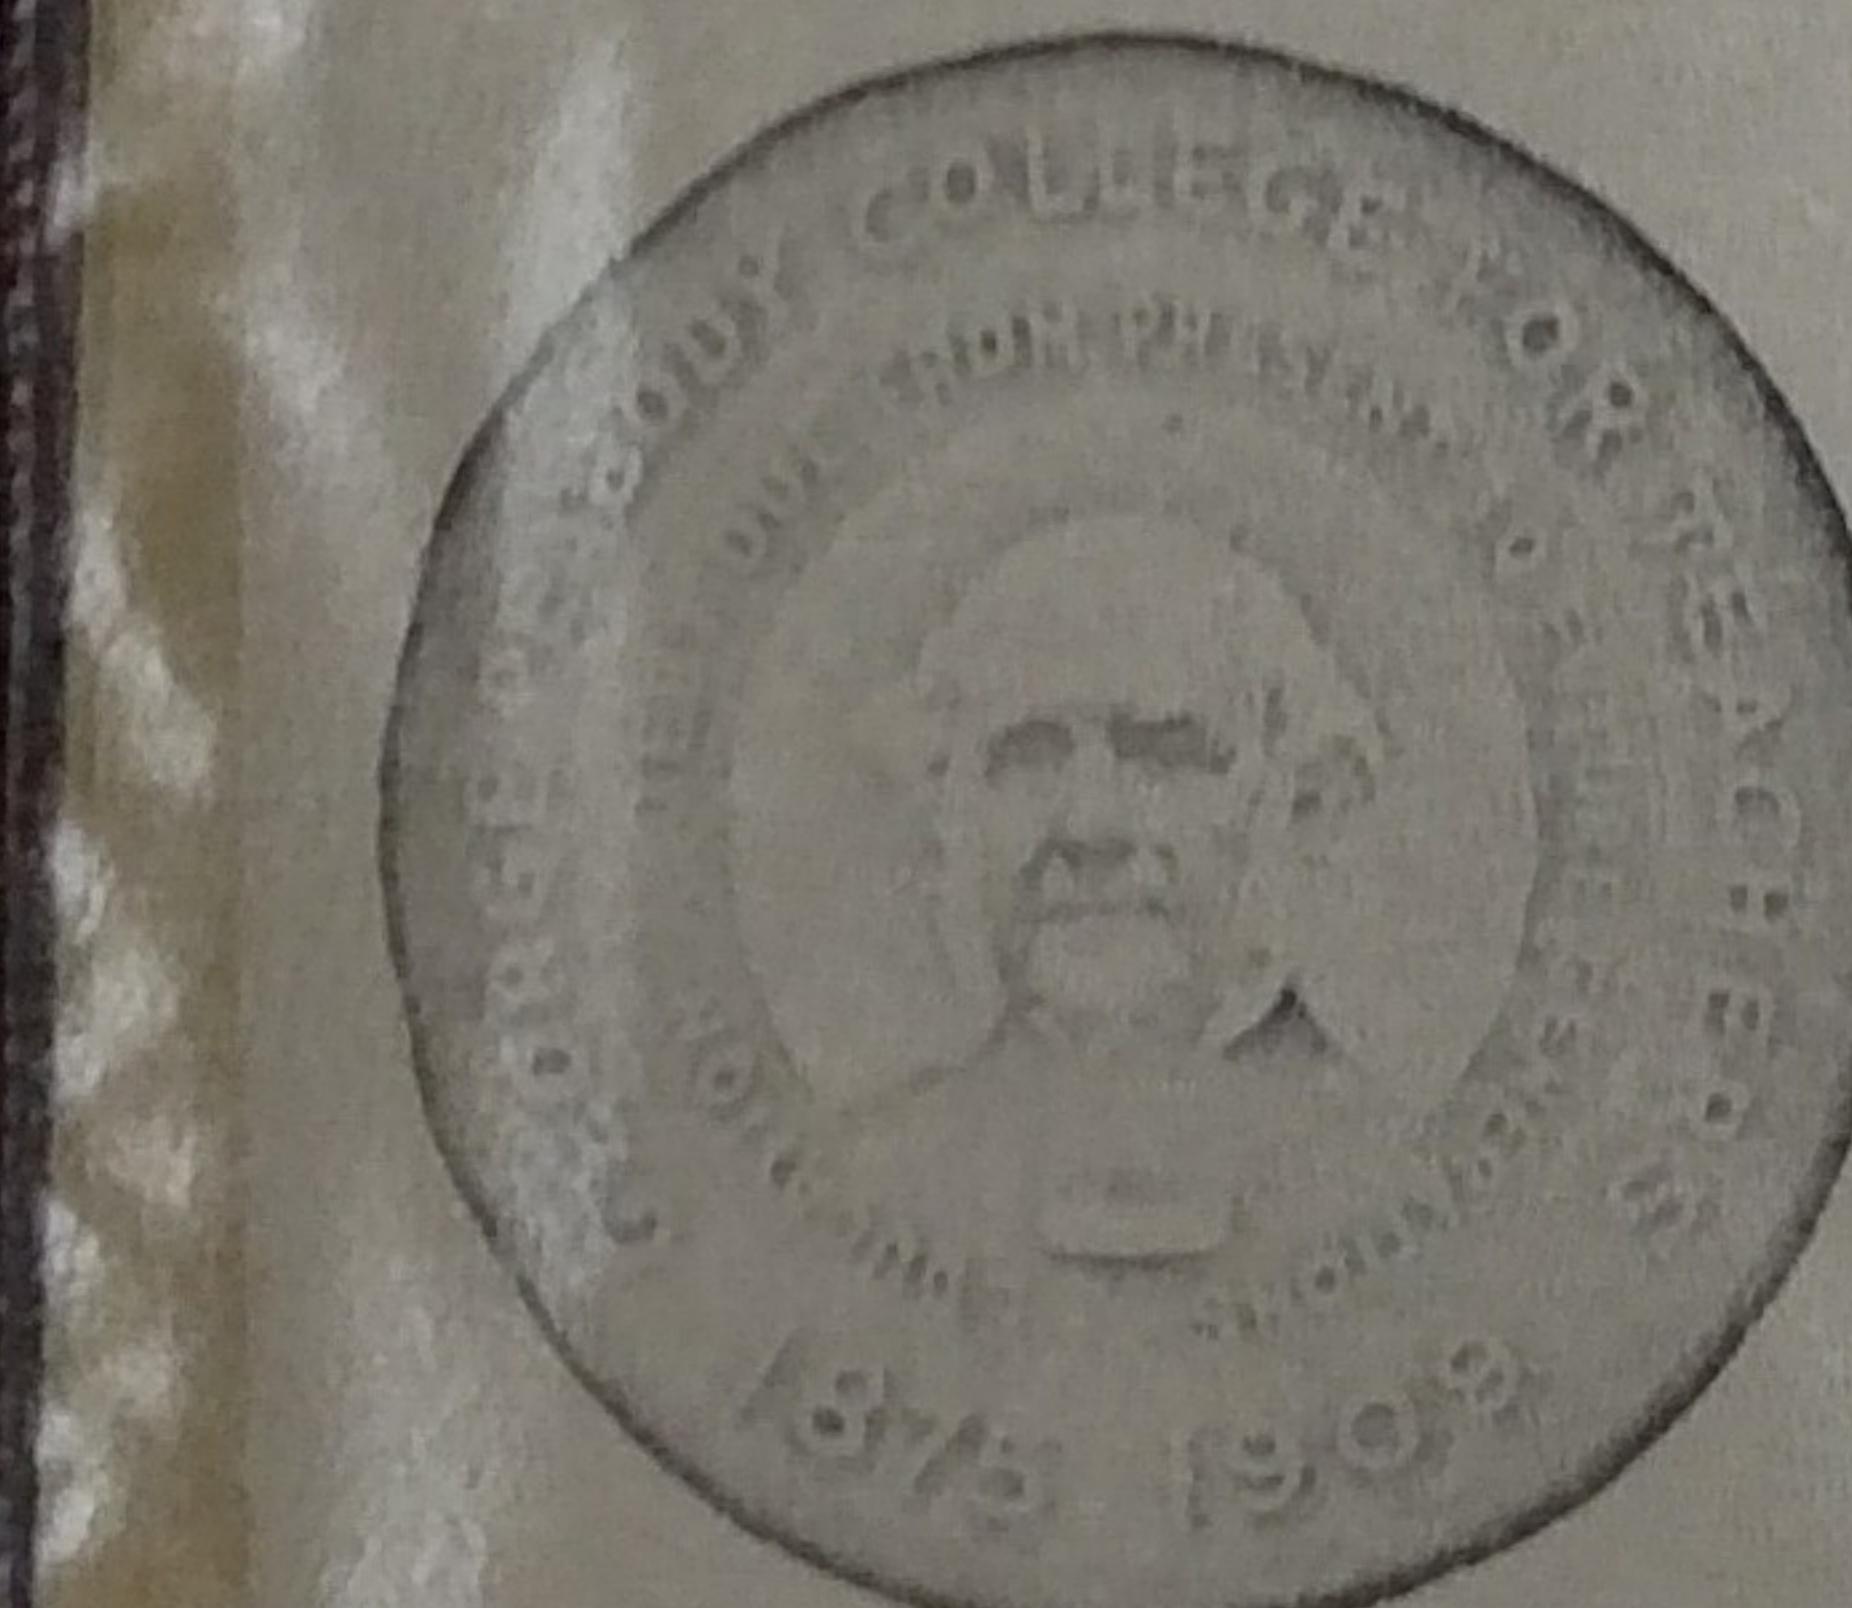

K. P. Walker
Superintendent of Schools
